Pre-Employment Drug Screen Information

C4 Services requires a pre-employment drug screen to be completed prior to the start of a job and at any time during employment when deemed necessary. C4 does drug screening through Quest Diagnostics. Upon receipt of your new hire pack C4 will register you for a test as close to your home address as possible. C4 will then email you a Quest Diagnostics drug screen letter. It will be your responsibility to print the letter off and bring it with you to the Quest Diagnostics testing facility that is listed on the letter. **Your first paycheck will not be issued until you have completed a drug screen.** Please fill out the below information to aid us in efficiently preparing your drug screen form.
